“ *Our sympathy to the family of Margaret. She was a nice lady. When we visited her she always had coffee & cookies. Doris & Gary Falkenberg*

“ *We are so sorry to hear that our beloved Margaret has left us - but happy that she is now in the arms of her Heavenly Father. There are so many memories of time spent with her - playing "42", reading her books, visiting with her and listening to more of her stories at Copperas Hollow. These precious memories will be forever with us. We love you, Margaret, and will be with you again.*

*Margaret was definitely an original with a fresh and sharp mind. And, a great cook! Never bored in her presence! Heaven won't be either!*
