“ *When asked where were you when Elvis passed? I always say with my favorite and only first cousin on my mother's side. I had many fun weeks of summer vacation in Austin with her. So many memories of our day together at the Texas state capitol, my first Schlotzsky sandwich, hours of swimming in her pool, the weekend trip to Astroworld, and our week to Padre Island for the first time for me to walk on and see the beach. Thank you and love you for making my teen years the best. Marigold*

“ *Dennis, Sean And Shea:*

She may be Margaret to the family she loved so much, but she will always be "Maggie" to me. Maggie was my good friend for 42 years. She was a quiet, thoughtful and sensitive person, with a good heart that she shared with those around her. My heart aches at her passing, but I smile when I remember our good times together. Maggie touched my life, and will be in my heart forever. May her beautiful soul rest in peace.
