“ To all of Margie's family with Love. Your mother's help to my mother, Mabeth Gilchrist (Granny), was more than appreciated. Margie helped in many ways during mother's later years. One day mother said Claire, I don't drive my car any more and it is of no use in my garage, what do you think about me giving it to Margie as she has been awful good to me. My mother's comment certainly perked my ears and of course my reply wasPerfect Mother, Great Idea! Another Margie Memory, I still have not mastered making your awesome dinner rolls and will continue trying and think of you.
