“ Mark and I were always close! He would call me all the time and talk about our relationships and he was very smart, he knew his stuff about the world and was very religious and believed strongly in Jesus Christ as I do!

I remember when we were little my folks would always take us, along with my other Cousins, Aunt and Uncle to visit them in Rhode Island! We always had a blast 😊

When I was married to Tom and lived in South Waterboro Mark and Troy would come up on the weekends to spend time with us and we would play games like Risk lol

Mark will be remembered always and forever until we meet again! Your pain and suffering is over! I love you Mark with all my heart and soul ~ rest with the Angels~

“ I remember my brother Mark as always being good and gentleman who always believed that God would help everyone who asked for it. Mark was always in my thoughts as are my other brothers and sister even with me being thousands of miles away. Rest in Peace Mark, your troubles are over.
