“ My thoughts and prayers are with the whole family. I loved Mark as did most that knew him. He touched many lives over the years living in Rockdale. I will miss his smiling face and carpentry skills as he could build just about anything. He was very family oriented and loved his kids and grandkids. I know you are with the lord and no longer fighting those demons any longer. I love you Debi, Landon and Christopher. I know God will comfort you now and always.
