“ *I couldn't have had a better mother-in-law. She made me feel welcome from day one but told me that I better not ever hurt her daughter or I would see a different side of her. I'm not sure who I will discuss Young & Restless with. She loved giving me a hard time but would also turn around and say how much she appreciated me. I will miss Walmart Wednesday and Mexican Food Friday's. She will be truly missed. Love you Mawmaw.*
