“ Aunt Katherine’s passing is especially hard for us, she was the last sibling on my mother’s side of the family. We have so many special memories of going to Texas every summer to reconnect with the grandparents, aunts and uncles, and the multitude of cousins. Aunt Katherine was a favorite of mine, and I remember many sleepovers at her house.

My heart goes out to you, Uncle Gene, and Patty, Albert, and Kenneth, and all of the family. May all of your memories of her life help you through this heartbreaking time.

With all my love, Shelia Clapp

“ Katherine was one of my favorite aunts. I always enjoyed visits with her. I remember once when we took my niece Laura to visit her and Gene on the farm. Laura was more impressed with the crickets than any of the other animals. Katherine helped her catch a bunch of them and made her promise not to open the container until she got back to her Grandma's house (my Mom Flora, Katherine's sister). What a hoot! We all thought it was much funnier than my Mom did, of course. I was hoping to see her again on my visit this Christmas, but I have lots of good memories of her to cherish. My prayers are with all the family. Hope to see you in the near future. Love to all of you, Evelyn Cotton

“ *She could sew/knit or crochet anything that could be made with fabric or yarn. She taught me to cut up a fish. Amazing is the only word.*
