“ My grandmother, affectionately known as "Mudea", lived a blessed life and was loved by so many. She was our rock, beacon of light when lost, the glue that held our family together, the original Queen Bee. Mudea's house was my last stop before the long drive home. She was the person I called after a 13hr night shift to keep me awake on the drive home.

Mudea was a cancer survivor of approximately 40 yrs. The doctors gave up...but GOD had other plans. She was blessed with strength and the amazing grace of God to endure the toughest times and overcome unimaginable obstacles.

I am devastated by our loss, but also extremely grateful that God gave us more time; the opportunity to love and cherish Mudea as she deserved.

Mudea, I am honored to carry your name, protect your legacy, and celebrate your life. May you rest in heaven with our Lord and Savior, for He loved you first and loves you most...God bless.

*Love Always,
Your namesake,
Mary Ware Jackson*

Praying for comfort for your family. In the past I delivered Meals on Wheels to Mrs. Ware, she was always so friendly and funny I loved visiting with she and Chico. I always left her home laughing.
