“ To Cheryl, Lillian, Bubba.....Our deepest sympathy to you all in the passing of your mother...It is hard being so far away at such a sad time. Please know that our thoughts and prayers are with you all. You need to keep family close during these sad times and help each other get through the sadness and pain. Your mom did have a big family that loved her very much but unfortunately wasn't very close in her life to know that she was so sick and suffering. We wish we could have been more supportive through the years.

I am sure she is in a peaceful place and happy to be reunited with your dad, grandbabies , her mom, dad and sister who have already passed before her. I know you all will have hard times in the days ahead to get through....please know we are thinking of you all and hope you can one day find peace and happiness in your lives. Take care of each other and share the memories of your mom with the generations of babies that unfortunately will not get to know their grandmother....forget the stuff that families fight about...the little things that in the long run aren't really important....remember the lessons that your mother tried to teach you all and go on to set good examples for your children. Turn to each other for support, family is what you have left in the end.....

Hugs and kisses to all,

Uncle John , Aunt Nancycousins: Jennifer & Rob, John, Brandon , and Taylor
