“ *To the Family-*  
*There comes a time when change is difficult, but life goes on. we have so many fun memories of those we love, we want to make sure that we never lose one. but when the tears fall down your heart rather than your face will be the time that those fun memories will comfort us in pain.*  
*Aunt Matt was the kind of women that most would say when I grow up, I want to be just like her. There are many blessings that we have and have not counted, and Aunt Matt was one of those. remember to cherish all that you have while it is with you for one day all we will have is the memories. Words can not comfort but god still can. love you from the family of Dorene Abrams*
