“ I got to know Sonny over the last 20 years at AWSC and have many good memories of him. He loved his family and always spoke of his grandchildren with such pride and he always had a picture or two to share.

He is truly missed, but we will remember the friendship and all the laughter we shared over the years at AWSC.

Our condolences to the family.

“ I had the honor of meeting Sonny in 1994 when I started working at AQUA WSC. For the 11 years I worked with him he always knew how to make you laugh. A lot of my experience in the Water Industry came from Sonny, because his work areas were so spread out I always had to call him for advise and he was always willing to assist. I know he will be greatly missed. My Sincerest and most Heartfelt Condolences to the family and all who's life he influenced.

“ Hmmm....
*I remember him taking me to my 1st rodeo that we almost missed bc he had to stop and get a coca-cola for breakfast... haha...
I remember him turning cattle troughs into a swimming pool just so that I could have a little fun outside while staying with him those summers.
I remember him being the 1st person asleep after Thanksgiving meals where he would go straight from the dinner table to Granny's recliner.
Most of all, I remember him treating me as if I was his own!
Rest In Peace Uncle Sonny! - Love, Keith*
