*It's hard to know what to say to the family and Randy at a time like this when we know their hearts are breaking. To Roy and I it was total disbelief, totally shocking and sadness since we first heard. Those few years y'all lived next door to us were great. That put little kids in our neighborhood again since so many had left. The kids were great and Megan was always so nice. And Randy you were a blessing that night that you helped me get Roy into the car when he broke his knee. Many thanks for that. Don't know what I would have done without your help. I remember when their bikes needed air in the tire, they'd bring them over here and R it break out his air compressor. I hated it when y'all left. Randy we are so sorry for your loss and we will be praying for y'all if you need anything just come by or give us a shout*
