

Michael Glenn Bloodsworth

September 2, 1957 - April 16, 2014

Michael Glenn Bloodsworth, 56, went to be with the lord on Wednesday, April 16, 2014 at his home in Caldwell, Texas. Michael was born September 2, 1957 to Larry Aldine and Annette Marie (Cote`) Bloodsworth in Portsmouth, New Hampshire. Michael spent his childhood years traveling with his parents to different military bases overseas. From those experiences, he gained a great knowledge of many different things and loved to tell of those experiences. His parents eventually settled in Fort Walton Beach, Florida after being stationed at Eglin Airforce Base. He then attended High School in Fort Walton Beach, Florida. Throughout his twenties, he did seismograph work in the oil field and continued to travel throughout the southern United States and overseas to Yemen. He married and they welcomed a daughter, Krystle. When Michael's father became ill with cancer, he took over the family business and became the owner of Jacks Auto Service, where he loved the interaction with people. Several years later he retired after becoming ill and moved to Texas to be near his daughter. He is known for his love of his family, his ability to make anyone laugh, his love of cars, especially older models, his many years of playing golf, and listening to rock n roll music. He enjoyed staying aware of the current events in the world and would often call his daughter with "news flashes". He is survived by his loving daughter, Krystle Bloodsworth of La Grange, Texas, his ex-wife and great friend Debbie Hinkley of La Grange, Texas; Step-father Jerry Ross of Shalimar, Florida; Brother and sister-in-law Sean and Denise Bloodsworth, Niece Jordan Bloodsworth and

Nephew Hunter Bloodsworth, all of Orlando, Florida and his dog Houla Dancer. He was preceded in death by his parents and his grandparents. A memorial service to honor Mr. Michael Bloodsworth will be held in Fort Walton Beach, Florida at a future date. As an expression of sympathy, memorial contributions may be sent to the Wounded Warriors Project at P.O. Box 758517, Topeka, KS 66675 (www.woundedwarriorproject.org) or to the St. Marks Medical Center Auxiliary at One St. Marks Place, La Grange, Texas 78945.
