“ When egg prices first started to skyrocket some of us at HL were talking about getting chickens. Anne said she asked Mike why she didn't have any chickens. The next thing you know Anne told us that Mike had gotten her some chickens. Then she said it's a good thing she didn't ask for elephants!🙄 I thought to myself Anne is so lucky to have such a wonderful guy to get her some chickens. That is true love!❤️ Something tells me if Anne would've asked for elephants, Mike would've made that happen for her.😂 Such a special, loving man! I'm happy you were blessed with such a terrific man!
