“ My heart goes out to this sweet family. We have so many memories being next door neighbors and watching Michael & Tommy grow up with our boys. When I think of Michael, I always remember the day they were mowing the yard. Michael was trying to get Tommy to mow his part. After chasing him down and dragging him back to the mower several times, Michael finally stood back & said “Tommy, you are just going to have to decide if you are a man or a mouse. If you’re a man you’ll mow your part!”  
Marion & Tommy, our thoughts and prayers are with you, may God surround you with His comfort. Love you. The Huff family

“ Dear May and family, Although it has been some time since I laid my eyes on you, I have many fond memories of our college experience. We had many good times in the social times of ATO where Michael was a true leader and a social Butterfly. He was always there to lift a friend up and listen to their problems. Michael, Blake, and I had some great times as roommates with Sunday afternoon football games, Barbeque, and always enjoyed humor more than most. Always could make me smile and was a true leader. Heaven has gained a Great Angel!!! I know he will be missed, but his spirit will live on in the many people he influenced. God bless you and your family.

“ *Coach Myers was a special guy. He was Cody's Football and Powerlifting Coach. We was amazing with all his players. He truly believed in them and he was respected by them. With his support Cody was able to fulfill a dream of making to nationals in powerlifting. The Williams family will remember him fondly*

“ *I worked with Mike for the past few years at TCA. He always motivated the students, and his passion for teaching history was apparent in his classroom. I loved hearing his stories about his wife and his daughters when we would eat lunch together. He was a great man. Sending prayers of comfort and peace to your family at this time of loss.*

“ *Mary and family, Wendy and I are so sorry for your loss and deeply saddened by Mike's passing. Even though it has been way too long since we last saw each other, Mike has often come across our minds. We were all very close during our days at SHSU and I treasure the times and especially the friendship we had. Mike has always had a huge heart and would do anything for anybody. He will sorely be missed, but Heaven has gained a true Angel.*

“ Coach Myers was a really great mentor to our son and a dear friend to everyone who needed a one. He was a great father to his beautiful daughters and the perfect husband to his lovely wife. He will truly be missed by a lot but we have comfort in knowing that he is in a better place. Rest in Heaven.

“ So sorry to hear of your loss. I did not know Mike very well, but what I did know was that he was awesome with the 4-H youth at the 4-H games in Manor, TX. He was funny and so full of life! He will be missed by many. Prayers to the family and close friends.
