Tribute Wall

“ I love and miss her greatly, my health hasn't allowed me to travel to go to see her in years of late, but she was always on my mind. Aunt Minnie was a beautiful great aunt, she and I spent a whole lot of time together, cooking, embroidering, crocheting and all, I enjoyed just going to see her and sitting around her kitchen table chatting...I will look forward to seeing her in Paradise Earth along with all of our other loved ones who have gone before us to sleep in death.
