“ Oh, how I will miss Myra and her sweet spirit. A friend, neighbor and much loved 2nd mother. I am both saddened and joyful at her home-going. Knowing I will see her again gives great comfort, but the hole she leaves in my heart for now is very big. Please know she left her footprints all over my life and in the lives of all who were blessed to have known her. May God bless you and keep you as you travel this path. Remember you are not alone. We are traveling together. I love you all. Becky & Barry
