“ Dear Jason & Shanna & boys,
Words fail us because our love for your mom was so large it hurts thinking of her not being at our Leschber reunions & Larry's memories of being with his cousin & my treasured phone calls that we shared during her time caring for her mom & while she was living at her mom's home! We laughed together & shared stories of the farming experiences of the Leschber families! We share our grief journeys of the loved ones that went to their heavenly home before us. Your mom loved y'all so very much & her love & faith of the Lord will carry you through this hard time of grieving ! May God continue to bring you comfort & strength during this difficult time ! All our love! Larry & Pam Leschber
