“ *Nancy was the nicest most down to earth lady. We will miss her wild streak, her laugh and her presence. She had such a good time playing around with my young sons and she was definitely looked at by them as aunt Nancy and by us as part of our family. She fought hard with her battle and always had a good attitude about it. I praise her for her strength through and through. A true tough country girl and a great mother to her sons. We will miss coming out riding dirtbikes and cooking on the grill while watching sunsets with you. We will miss you and we love you.*
