I will truly miss Nancy's big heart and smiling face. Life was hard for Nancy but she never let it get her down. She was always there to with an open heart and a hug. I have fun memories at the coast and my dads beach house where she was always welcome to come stay with us. I have some party times that I will always hold dear. I loved the song "Spirt In The Sky" that was played at her service and has been stuck in my mind all week. I catch myself singing it all the time. I took her leaving pretty hard! I don't know if she knew it, but I loved her and she was my friend!

“ *My deepest condolences to the family. Nancy and I grew up together in Rockdale and wasted a lot of gasoline cruising the streets of town as high schoolers. She was a kind and caring lady. I will always have fond memories of happy times together.*
