“ So very sorry for the loss of Nathan. He was a bigger than life person who's smile could light up the room. I have known him for many years but the ones I want to comment on are the years as one of my "fathers". I had the pleasure of having Nathan & Amy's two children under my care at St. Paul CDC in Taylor. They were wonderful parents to work with. Nathan was an amazing father. Very involved in his childrens lives. Always wanting the best for his kids. My sorrow is that now those two children will no longer have him as an influence in their lives. Praying that all keep his awesomeness alive for Mason & Megan because if there is anything that I'm sure of it is that he loved his children.
My thoughts & prayers are with all of his family and friends. May you all hold onto the many wonderful memories of Nathan. Remember his hugs, smiles and know that now he is at peace with his Lord.

“ I still cannot believe you are gone. There are so many memories over the past 22 years that my head has been swimming with them this week. I remember everything from getting your truck stuck in the mud at the rodeo, and going dancing at Coupland every weekend to crawfish boils at the house and Mason and Megans birthday parties. I will miss you always. -Crissy

“ It is such a shock and yes, a great loss, to have someone that you know you can count on every morning for a Good Morning and a chuckle. Again, Nathan is usually the last person I see walking out the door at work to go home. I will miss Nathan terribly.

“ I was so saddened to hear of Nathan’s passing. He always brightened my day with his sweet smiles and warm hugs from the time he was a little boy until the last time I saw him just a few weeks ago.
