“Heaven just gained a wonderful soul. Uncle Nat, you were a true gem. You were a wonderful uncle, brother, father, grandfather & great grandfather. You instilled laughter in your family for which they all have great sense of humor because of you, anyone who is around any Zapata family members that belongs to you, walk through life with that same beautiful smile on their face, all my cousins that belong to you Uncle Nat, will keep your beautiful spirit alive, they are all so much like you and that makes me happy to see, cause when I see them, I see you! Thank you for taking care of Mom (Carmen) when she needed it, we so appreciate you coming check on her and talk to her when she needed it most. WE all love you and WE all will miss you and your quick joke and smile. I loved hearing your stories of the way it was, life made much more sense the way you described it when you would tell your stories...I loved seeing the world through your eyes.

Now rest Uncle Nat, you have been blessed to see so much in your lifetime, you have left an incredible mark on the Zapata family and we will never forget you. Until we see each other again, Rest in Peace my good man~
