“ *Nettilee is such a big part of my growing up memories....days at the lake learning to ski and of course the KC Hall. She led the cooking for my wedding reception as well. I do not ever remember seeing her without a smile and a laugh. She was a truly remarkable woman. Sending my condolences to the family on the loss of this amazing woman.*

“ *There are so many wonderful memories to share about Aunt Tootsie. That was her name to me, I'm not sure why. You were my godmother and if you look that up in the dictionary, you did it all and much more. You were always there, calling on every birthday, always checking in on us, bringing your famous cookies and kolaches. When you came to Weimar to visit, you met us with open arms, that kiss on the cheek, a big hug and always that laugh. Most of the time before you left, you gave us some little something to hold onto till the next time. You were so kind to my mom and I will treasure all the stories about the two of you. Your faith in God was instrumental in my life and I know in so many others. I know when you got to Heaven, the gates were opened so wide and you were met by your family. Uncle Ike with his arms opened wide and I'm sure he said, welcome home I'm so glad you are here. You will be missed, but we will meet again. Love you, Janis*
