“ Dennis and I have missed Newman driving by our little weekend house in Dime Box the last few months - not the same up "what" we call "Lietko Lane" - anymore. So many of Newman and Dennis' relatives have lived up that road over the years. Newman always had time to stop and visit a few minutes - not always able to get out of his truck at last so we'd run out. Already miss him. He thought a lot of his grandchildren too!!!!

“ Newman will be so missed by all of his classmates from Dime Box Class of 1960. He was a wonderful, caring and joking friend who livened up every party with his overseas stories and recalls of the trouble he and his buddies would get into in High School. Our reunions will never be the same!

Our condolences to the family in the loss of this great man!
