“ My boyfriend and I just found out the news. We were long time clients, five years for me. It was always so nice to catch up at each visit and I loved how open I could be with her as she was with me. She remembered all the details and as someone who lost her mother to breast cancer, I felt comfort in her sharing her journey of what she had gone through. This is heartbreaking...a truly wonderful person and someone I considered a friend gone. Rest in peace, Nikki.

“ I met Nikki as a customer in the hair salon a few years ago. We became friends. Nan, Alan, and James, I feel like I know you all as she talked about all of her family so much. I'm still in shock and am deeply saddened. I will really miss her. God bless you all.

“ I was a client and friend of Nikki's for almost 8 years now. Seeing her monthly for 2-3 hours at a time was always one of my favorite days of the month. We never had a dull minute. I'll miss seeing her, hugging her, sharing stories with her, and everything in-between. Nikki was a special person and she brought so much happiness to the people around her. I'll love and miss her always.

“ Nikki, you were one of my daughters first sitters. You were so kind and understanding to Margaret Anne. You instilled in her to study hard and to clean up her mess-which was a big deal, she was a toddler. You watched *The Little Mermaid* an umpteenth number of times. I thank you for loving my girl. God Bless you and give you peace and rest. I love you, Lynda Ables

“ *I'm going to miss her big hugs, her infectious laugh, her thoughtful insights and cherish all of years and memories of Nikki. She was always CHEERING for you. I'm glad I got to sit in her chair every few months and catch up on all the latest and get to know her, her family, and her Caldwell roots. I know she was looking forward to the trip to Scotland with her Mom. My daughter, Haley, also got to know Nikki through the years and we both are so saddened to hear of her passing. Our lives have been immensely enriched by our friendship with Nikki.*

“ I absolutely loved working with Nikki at all the events we did! She always asked about my family, how everyone was doing, and how things were with me. She had the ability to bring a smile to my face and lift me up even when I was truly not feeling it. We had such interesting, fun conversations and I am so proud to have known her and to call her my friend. She was such a light in my life, and I will remember her always with joy and fondness. Love you Nikki.....

“ A bright & shining star is missing from my sky with the loss of Nikki. I loved spending time in her chair, the conversations, her ability to remember past conversations, the way she made me feel like I was an important person to her. The ease with which she laughed. I don't know that I've ever known anyone as kind & easy going as Nikki was to me.

My condolences to her family - she spoke to me often about all of you.

“ *She was such a bright star. I will miss her dearly. I was amazed how much she knew of current affairs around the world, how she remembered every detail of our past conversations and she blew my mind on how much she knew of cosmology and astrophysics. A brilliant mind, a very talented professional and the sweetest soul. Rest In Peace sweet Nikki. Thanasis*
