“ Norma is a very special soul. I will always remember her contagious happiness and the nickname she gave me, "Julierree." All who knew Norma were blessed by her presence. Her sweet memory will linger on this earth, as she dances with the angels in Heaven. May God comfort her family and friends with his ever present grace and love. Love to all. Julie Boyd Jenkins

“ My oldest Son, Troy just turned 44 yrs. old this last July. When he was born, Norma wanted to get him an "Outfit". It was like overalls and a plaid shirt. He and his two younger brothers had their pictures "professionally" taken in this "Outfit". The framed portraits of all three hung on our bedroom walls for many years. She was such a sweet person.

“ I was honored to have known and loved Norma for over 25 years. Her bubbling personality and smile met me every morning when I worked at the MARC center. I met her first as a volunteer. My children volunteered there as a part of their Scouting merit badge program. They loved it and it began my long association with the folks there. Norma met me every morning with a " Hi, Boss" and a hug. Even when her day was not going great there was a smile. There were tears sometimes if I had to tell her something she had done wrong. Those tears usually brought a few tears to my eyes too. She thought of others always, and loved to dance. She won many dance contests and loved her trophies both for dancing and bowling. She loved parties, and liked most to be the star of those parties. Without trying too hard, she usually was. She gave so many sweet memories to others, mine will be in my heart forever.

“ My family and Norma's family were very close and was raised with my children for many of their childhood years. Her Mother was my best friend. We love all of you and want to pray God's blessings on all of you at this time. It isn't possible for me to be at the service, but all of you will be in my thoughts and prayers. Love Martha June Williams.

“ Norma was always one of God's Special Angels and I was blessed to know her and be on the receiving end of her wonderful smiles and hugs for 48 years. Praying for the arms of our Lord and the rest of the Angels to bring you all comfort as you grieve and perhaps some peace knowing that Norma has gone Home and was lovingly met by her Momma.
