“ *Shirley, Chris, Tracey and your families: So very memories we would love to share with you - many of them you, Shirley, would remember !! If not for Wayne's help (& others) I'm not sure Charles would have graduated high school. So many memories from "the big house" as we called it later. Please know that if at all possible Charles would be there Monday for the memorial service - but he can't. May God bless you with comfort, strength, and understanding of His will Hope to see you Monday. Margie (and Charles) Lopez.*
