“*I have so many good memories of Tutor throughout the years! He was so much fun to be with. As we aged, we didn't see each other as frequently but still kept in touch. I will miss those stories and jokes he always had for me!!!! Jamie, please keep his memory alive in your life. Tutor was a really good man and a wonderful friend and cousin. May God grant you and your family peace!*

“*Jamie and family, so very sorry to hear about Tutor and your mom. I just heard about both this morning. They were both wonderful people and I loved them both. Tutor was more like an uncle than a cousin. He used to always love teasing me about being an old maid even after I was married! Please know that our thoughts and prayers are with you and your family at this difficult time. God Bless!*
