“ *Cindy, I just today decided to search for an obituary. I don't know why I didn't search earlier after my Christmas cards were returned. My memories of your mother include how much of a cut up she was as a young girl. How sweet she was to me, her cousin 9 years younger. She loaned me a pink formal that I wore to a ninth grade prom with my then boyfriend now husband of 56 years. I loved her laugh and hope that is one of your special memories too.
