“ *I wanted to wait a little before I posted this. Patsy, you were a gem that will always shine. I was honored to have had you in my care for the time that I did. You were always sweet, you put a smile on your face, even when you felt bad, offered me candy, and was happy to see family come through the door. I tell you Patsy, you raised some amazing men, they were there by your side everyday, until your call was called, always smiled, and were very thankful and appreciative. Your daughter in law, Nan was wonderful, and gave me some stories about you, so I know what kind of woman you were outside of a nursing home. And I tell you, you were a busy bee! We will miss you Patsy. But at the same time you were ready to go home and be with the love of your life, and other love ones. Rest in heaven precious lady, and May your family grieve in peace, and honor you at the same time. Love you, I know you remembered what I whispered to you in your ear that day.....*

*Mike, Alan, Lee and families,
I'm so sorry for your/our loss. Always loved Aunt Pat. She always had that twinkling smile and looked like she "just stepped out of a band box." Perfectly coiffed and so nicely dressed. Please accept my sincere sympathy and love.

“ *Mike, Allan and Lee- I am sorry to hear of your Mother's passing. She was always kind, caring and gracious to me and my family. I know she lived a long and fulfilling life; I also know it is hard to say good by to a parent. I regret that a long standing commitment will result in my missing the visitation and service.
