“ I remember Pedro way back to little league football and he played on my uncles team. To him and my brother, who had the biggest rims, and the short time we dated, he was a good guy always smiling. A charmer, he did what he could to make everyone happy. I never got the chance to tell you what you meant to me in those few months and how I wish things ended better. I will miss seeing you!!!!

Thank you so much for your comment PB. It really does mean a lot. We're glad people are remembering my brother for the person he was. A happy guy willing to go the extra mile to get a smile out of somebody. Thank you again.
