“Peggy was a beautiful, caring lady who loved her family and her friends. She loved to talk about her family roots in the Smithville community and was always ready to share a memory or taking the time to send visitors to the best places to eat and have a great experience. I always told her she missed her calling to be the tour guide for Smithville. She will be greatly missed at Texas Trails Antiques and Marketplace by all of us. I will miss her smile and our many conversations....RIP Peggy! See you in Heaven!
