“ *I'm her oldest grandchild. I'm gonna miss who she became towards the last years of her life. I do have some great memories of her when I was younger and when my Papa was alive. She became a great grandma 11 years ago. That moment I saw the love in her I never thought in a million years she would accept my life (she wanted or saw it in a certain way) but she loved my family. She made my wedding cake for us and she called my kids every holiday and birthday as much as she could. You will truly be missed Mimi. We love you. May you and Papa join together and watch from afar.*

“ *This beautiful lady was nothing but kind and loving to me. Supported me through many difficult times in my life. She was beautiful, gracious, talented, and compassionate. I adored her silly sense of humor and sense of adventure. She and Thurman were so fun to travel with! I will always love her. Until we meet again, sweet lady. <3*
