“Peggy and I worked together for many years with Dr. Chantal Lorio. Peggy was truly a Gem and LOVED taking care of every patient. I've never forgotten her and still think of her often. I'm so sorry to hear of her passing. May you all find comfort and peace knowing she lived life to the fullest and wasn't scared to show us how to love and be kind to everyone. 😊💖

“Peggy became an instant friend. Not only was she the best and most caring nurse for my husband, but a true and caring friend to our family. She offered her home during emergencies, & storms so he would be sure to stay connected to his oxygen. I can't say enough good about Peggy. She takes a part of my heart with her. Peggy, say hello to my Love, Manuel, when she sees him in heaven. 🙏🙏🌹 Never to be forgotten!
