“ *Phyllis I miss you! I am sorry I was not at your funeral but no one informed me of your death. You were my truest friend. Even though we were not able to get together often we did think of each other often. I can't believe you are gone. My friend you were always so caring, loving, and genuine. I could always count on you. Thank you for being my friend. I love you! May you be "whoopin" it up in Heaven!*
