“ Mamie,

Our sincere condolences to you. Our thoughts and prayers are with you during this sad time. We will always remember Quenton (“cousin”) fondly and have wonderful memories of many times spent with him during the younger years (he loved to laugh, keep up fun and was full of energy) and in the latter years! We’re his family who love him and will miss him greatly and believe he’s at wonderful peace now. Please let us know how we can be of any assistance now and in the future as we endeavor to be a great source of comfort and support to one another.

With Love,
