“ Mitchell was such a good guy. He was at our house a lot of the time either eating or watching TV with mama or hanging out with all the family, like he was an adopted member of the family. He went on extended family picnics with us. I went to a conference in Dallas and he and Corbin came to get me. Mitchell taught me how to drive a stick. Once I caught the hang of it I wanted to practice so I took every chance to drive on that trip. Mitchell we will miss you!! We will be praying for your family.

“ Mitchell was a fun guy. We used to tease him that he knew when mama was home and cooking. He would come over and we would watch tv shows. He also went to Washington DC once to keep an eye on me while mom and Gerry went to a conference. He took me to the capital and I remember we "somehow" ended up on the wrong side of a Do not enter sign, and we were quickly escorted out. Ha. I also remember a ride in the backseat of his highway patrol car. Mom was in the front seat. Someone ran a red light in front of him, and even though he didn't want to, he had to pursue. Mitchell, I will miss sharing fishing stories and pictures. Thank you for reconnecting on FB. Prayers for yoYr FAMILY
