“*Susie, you and I were already family when I met Bubba for the first time and he accepted me as part of the family as well. Never had I had someone be as welcoming on a first meeting as the one he gave me. I will forever remember coming to visit you two and bringing Scooter. I forgot to warn Bubba about Scooter's trauma's with men so we left to go running around for a few hours only to come back and find Bubba sitting in front of the TV looking worried and scared. I asked where Scooter was and I never heard words flow from a man's mouth as quickly as they did then. He fussed at Snug and the loud voice scared Scooter so he ran for the bedroom and crawled under the bed and refused to come out. Bubba felt so bad and was upset, guess he thought I'd be mad but I called Scooter and he came out and straight to me. I am happy to say the two made up before we left. Bubba could make me laugh like no one else could. My love and prayers go to all of you and know Bubba was one of a kind and loved by many.*

*Love you, Judy*

“*Our prayers are with Bubbas family. So sorry for your loss. It's a loss for our cherished Shell Oil Deer Park family also. He was a fantastic friend and co worker to all he came in contact with. His laugh could brighten someone's day. Our blessings are the great memories we get to keep and pass on to our loved ones and friends.*

“ *My heart is so broken.. I met Bubba in 1966 when we moved here from Tennessee. On my first day of school I met his sister Patty Ann. She tied my Girl Scout tie for me in gym..(embarrassing) and has been my very bestie ever since! Her family became mine and mine became hers! The first time I met Bubba I loved him. He was my big brother, my friend, and I thought he was the coolest of all time and always will! Rest easy Bubba and know you touched so many lives and was loved by all! I will keep you close in my heart forever! Ray and Joann are so happy to have you there and I can only imagine the party your having now! God blessed so many lives with knowing you! My thoughts and prayers are with you all.. Susie, Sarah, Addy, James, Patty, and Jerry, and all of this very wonderful family!*  
*All my love,*
