“ Been missing you Becky, since you moved away from Giddings. I keep looking over to your house to see if you are there. I also keep waiting to hear your dad's loud phone ring. May God bless you and your family, and rest in peace. Maria and family.

“ *I used to work with my friend Becky. I spent many hours at her house when she was moving from Giddings. I will miss her deeply!*

*Thank you, Elizabeth, for spending that time with her. I'm sure she had many thoughts on the move to Arlington. :-) In the end, I think it was best for her. And ultimately, she ended up in Winnsboro, minutes away from her youngest grandchild, Keegan, and got to see him almost daily. So she was very happy in the end. -Samantha, Becky's youngest daughter*

*I missed seeing her around town after she moved. Enjoyed bumping into her at Walmart, B&W groceries, etc. even ran into her at Hobby Lobby in Austin once. She always had the best attitude and stories to tell and she always cracked me up!. Even when she was fighting cancer and you could tell she wasn't feeling well. Last time I saw her was a few years back when she stopped at mom's house while our family was all together doing Easter. I'm glad she dropped in to visit. Sorry I really didn't get to know her children all that well but know that you are in my thoughts and prayer and wish each of you peace and comfort in Gods loving care.*
