“ *Jean, please know that you and the rest of your family are in my thoughts and prayers today as you go through these next few days. It was obvious how deeply you loved and treasured Jerry just as he did you. I know there is an emptiness now, but just know that he is happy and full of life as he plays his fiddle in that heavenly band now. May God comfort you and give you His peace as you go through the days ahead. I always enjoyed Jerry and know that he is smiling his brightest smile today!*
