“ Robert,
I sure will miss you my brother in Christ. You always brought me wisdom, peace and knowledge in every way possible. You were one of two people that always always brought me a calmness . For 17 years I gained a lot of nothing but positive. I laughed but also understood what you meant anytime I turned or started to turn a conversation into the negative why abruptly I heard no response or a dead phone because you had nothing to do with negativity also a positive spiral person who loved his family. RIP my brother I'll see you soon I hope
God bless
Love you my brother
Randy Gray

“ *I know Robert from the Turn Around Taylor AA meetings. He has always been a spectacular source of wisdom and inspiration to everyone in the clubhouse. Two days a week when I chair, his face was almost always the first to come through the door, with a sparkle in his eye and a levity that made everyone who walked in feel at ease. He made me laugh, he made me want to LISTEN, and most of all he always made me smile.*

Robert, I've got to chair a meeting tomorrow, and I'll be lookin' for you, man. And I'll make sure I listen, too 💜.
