“ I had the privilege and honor to provide nursing care to Mr Meaker during his illness. I was profoundly sad to find out he passed away, but I have great comfort he is with the Lord. In the short time I was able to know him, he made quite the impression on me. He talked of his beloved wife and children with adoration. I wish his family and friends peace, I know he will be missed as he was a special man.

“ Since I don't drive any more it was Peggy and Bob who came to my rescue and picked me up for Sunday School and Church. After church we shared lunch together with Todd and Ron Charles. What blessing I received during this time!. They just added to the pleasure I had as Ron Charles Sunday School teacher years before. How I admired Bob and all that he has done for so many.

“ I did not have the honor of knowing Bob. However, I became his roommate for a couple of hours on Friday at Scott & White. I was in the room with him while the doctors were discussing the need of him going to ICU. As they were beginning to wheel him out of the room to go to ICU his phone started playing "Oh Glorious Day" by Casting Crowns. Such a blessing to hear this from the other side of the curtain. I told him I would be praying for him, he said thank you, and then he was taken out of the room. I wish I had the opportunity to have know him. I know this is a difficult time for family and friends, I will be praying for your comfort and peace. God bless.

“ I will always remember Bob as a good and kind man that would do anything for you. He was a hard worker and had a great sense of humor, but most importantly he was a man of God that lived his faith. Although I will miss him, I take comfort in the knowledge that he is in heaven with our Lord and Savior Jesus Christ. My sincerest condolences,prayers and hugs for Peggy and the family. Rest In Peace Bob. Gone but never forgotten.
