“ *I met Robert back in 2004, when he was one of my instructors at ACC Fire Academy. Then I had the pleasure to work with him at Hutto FD. He was a very kind man, always a pleasure to be around, had a great sense of humor and he was a big help to me during my team in the Fire Academy. He will be missed by many. My condolences to his family. RIP brother. :(*

“ *I worked with Robert while I was with Taylor Fire Department (1985/1995). He was always in a good mood and ready to share a good joke. He was a good firefighter and he drove me to several fires as my driver. He saved me from getting 'beat up' on a car fire when I call for too much pressure on some new hose (1 3/4). He let me 'work' with the pressure that I call but gated it down before I got beat up! RIP Brother!*
