“ *Rudolfo and his family were our neighbors. We used to play tag, cowboys and Indians and baseball. We had a great time with them. He was a really sweet guy.*

“Dolfo, I find myself struggling with the fact that you're gone, and mainly because we didn't get to say goodbye. I will take with me, the memories of being there when u needed us the most. I love you beyond measure for blessing me with our beautiful (daddy's girl)! She is torn in a million pieces, but she knows you loved her with everything you had. All she wanted was to take care of you. I can't guarantee that you wouldn't have gotten sick if you had come home with us in November, but I can guarantee, that Miah and I would have taken really good care of you. Miah stated yesterday, that you were right beside her, she could feel you. She says, wherever I go, daddy goes. I bought her a volleyball yesterday, it's her favorite color, baby blue, she's going to be an awesome volleyball and softball player! Anyhow, I it was a gift from you. I told her that had you not been sick, you would have given her the world if you could have. She will cherish YOU forever. You were such a great good hearted guy, and funny too! I loved when it when you could open up to me with anything that was bothering you. I'm so grateful that we became friends for Our daughters sake. One thing I will always remember, is that no matter what, you loved your children SOO very much. We love you, and I pray you look down on us and smile everyday!! I'll be forever grateful to you! RIP MIAH's HERO.....and ANGEL....

“ I just want to say that Rodolfo was my first true friend I had when I got to Giddings. We went thru a lot together growing up . He was always the strong one and always had my back ! We shared so many memories that I will never forget him ! We recently reconnected after a long spell of life taking us in different directions . We were planning on working together as soon as he got better ! I was looking forward to spending more time with him But I guess God had more plans for him .. all I know is that I loved this dude like my brother and I will miss him Always ! We will all be together in time my brother !! See ya soon !!
