“ Late condolences from Tim Gilmore & family. I worked with Rooster at Consolidated Freight in Houston for about 15 years. He was a good friend and very good worker. Sorry I'm late with sorrow but was watching Bulldogging at rodeo on TV and happen to think of him so I Googled his name, (3-16-2018) and discovered he had passed. I still remember the "coon-di##" in his cowboy hat. Miss ya buddy.
