“ *Years ago I went to visit Uncle Rod and he asked me if I would make him some cobbler. I told him of course, that I'd make him any kind of cobbler he wanted. Next thing I knew he sat 5 - six pound boxes of bisquick in front of me with a bucket of blackberries, a dozen cans of peaches and a dozen cans of apple pie filling. So I spent the next 2 days stocking his big ole freezer full of cobbler. Now every time I make cobbler, I think of him.*

“ *The world is a little darker today with the loss of a such a good man, great friend and a dearly loved Uncle. He will be missed by all that knew him. He was there with a helping hand for anyone that needed anything. He had a fierce passion for his religion and and a sincere dedication to God. He would share His message to all he could. He was a light that brightened and warmed our lives. Our light has vanished to be replaced by memories that we will cherish forever. RIP Uncle Rod. you are loved and will be missed by many.*
