“ *Ronnie was such a delightful guy. My husband, brother, and myself use to go to the nursing home and sing on Wednesday nights. He always wanted me to sing Coat of Many Colors. He obviously loved a joyful noise because I certainly can't sing. He loved music and he always made us feel so good with his clapping and big smile. I know he will be missed by all who know and love him. I feel blessed that he touched my life in such a happy way. Sing with the angels and rest in peace.*
