“ Ronald was a family treasure. He was warm and welcoming to everybody, a true friend to all, a great story teller, talented musician, and he had so much family knowledge. Who will we go to now with questions about the Westbrook family history? Thankfully he put a lot of his stories in writing. Those will be treasured by those of us left behind, a legacy from Uncle Butch. LaDonna and the children have my heartfelt sympathy in the loss of their beloved husband and dad. May you find comfort and peace knowing that Ronald is with our Lord in heaven and we will see him again. Rest In Peace, Ronald. I will miss you.

“ Ronnie and Family, I am so sad to see that your dad passed away. I have thought of you all daily since Daddy died on the 22nd. I feel like we all have made a journey together. I had prayed that even though my dad could not recover that yours would. I know what a difficult time this is. Arlyn and I are still in the "we can't believe this has happened" stage. Arlyn and I are thinking of you all and praying for you. Thank you for the friendship and bond we formed in the ICU.
