“ I'm sorry to hear about Joe passing. He was my best friend through out Jr.high and high school. We played guitars together and ran up and down the streets in Lubbock in his 442. He was my best man 41 years ago. Joe was probably the nicest guy that anyone could have known. I'm just sorry we didn't find the time to get together again. I hope everyone remembers what a great person he was and those memories always bring a smile and joy to their hearts. Rest in Peace dear friend 🙏

“ I am truly shocked and saddened to hear about Joe. He is perhaps one of the best and most favorite sales reps I have ever worked with. He is also one of the few I can call a friend. I pray that God's presence, mercy, and grace will be more evident as you grieve his passing. I am truly grieving with you.
