“*Rosemary, you two were so adorable together, I remember you in High School, watched you dancing together, so sweet! Whenever I look at Royce, I also feel like I'm looking at Delores! Great memories would return. Loved that girl so much. You have been part of such a talented family, each one of these Lawrences was not only very intelligent but talented athletes, great voices, and who knows how many other areas they excelled in! Your children are blessed to have you two as examples to follow as they have grown! Much love to you. Ernestine Hoffmeyer Betchan*

“ *I’ve known Royce over 20 years. My best memories are observing him attending granddaughters’ dance recitals, basket ball games, watching cheerleading all the while smiling and looking as if there was nothing else in the world he’d rather be doing. That takes a devoted grandpa. He’s going to be missed.*
